

Neige Journy, M.P.H, Ph.D
Epidemiologist, Tenured scientist
Inserm U1018, Centre for Epidemiology and Population Health
Paris Sud – Paris Saclay University
Gustave Roussy Cancer Campus, Villejuif, France

Web of Science ResearcherID: GLV-3733-2022
<https://www.researchgate.net/profile/Neige-Journy>

PROFESSIONAL EXPERIENCES

2019-...: INSERM U1018, Radiation Epidemiology, France. Tenured scientist
2017-19: INSERM U1018, Radiation Epidemiology, France. Postdoctoral fellow
2015-17: NIH National Cancer Institute, Radiation Epidemiology, USA. Postdoctoral fellow
2011-14: Institute for Radiological Protection and Nuclear Safety (IRSN), Laboratory of Epidemiology, France. Predoctoral fellow

RESEARCH GRANTS

2019-2024: European Commission, H2020 NFRP-2018-8 program (grant n°847707, HARMONIC project, 60 months, WP leader, 7M€). Coordination of WP2 Radiotherapy (2M€)
2017-2019: Foundation *ARC pour la recherche sur le cancer*, 120k€ (grant n°PDF20161205256, postdoctoral fellowship 2 years)
2015-2017: NIH, National Cancer Institute, USA. Postdoctoral fellowship (2 years)
2011-2014: Predoctoral fellowship (3 years), IRSN, France. Funding: European Commission, Seventh Framework Program (grant n°FP7-Fission-2010-3.2.1, Epi-CT)

EDUCATION

2018: DU Radiobiology and Radiation Protection, School of Cancer Sciences, Gustave Roussy, France
2014: PhD Public Health, Epidemiology, Paris-Sud University, France
2009: MPH Methodology and Statistics in medical research, Paris-Sud University, France
2007: MPH International Public Health, Bordeaux School of Public Health (ISPED), France
